

Village Profile of Tribal Futures Project 2017

(Survey conducted in these villages in December 2016 and January 2017)

S.No	Name of the village	No. of Families	Population	Land availability	Main Issues
1	Koppaiyoor	20	64	45 acres. (Main crop Coffee. Silk cotton harvest once a year.)	Wild Animal intrusion. So only few acres are cultivated. No irrigation facility. Rain fed area. Need electricity for the newly built 6 houses
2	Araiyoor	29	96	60 acres (35 acres Govt. land; 25 acres forest land) Coffee, Pepper, and silk cotton	No proper road and no public transport. Wild animal intrusion No Land title from FRA. Need Hose pipe for water supply
3	*Kongattupudur	43	220	27 acres (Tea and coffee) Most of them are daily wage labourers	No road and bus transportation. Water scarcity. Need to pressurize the panchayat. Interested in Poultry. No Land Title through FRA
4	* Vagappanai	38	107	74 acres joint title (coffee in 40 acres)	Wild Animals threat <u>No Creche</u> – 12 infants No road for 3 kms No street light <u>Need Coffee pulper machine</u> 9 children go to far away school. Tailoring centre will be useful.
5	Nellimanthu	12	39	5 acres – Pasture land - Vegetable Cultivation -	Wild Boar and Gaur problem. No water. No road facility for 2 kms Need proper fencing (net) to protect vegetable cultivation
6.	* Bettumanthu (Toda Settlement)	12	44	Every family owns 2 acres of land.	Situated in the thick forest. <u>Only mud road for 3 kms. Many years appeal to the</u>

				Vegetable cultivation	<u>Government and no solution.</u> Village surrounded by Cyprus and Eucalyptus trees. No communication facility (No phone or mobile)
7	Kokkodu	18	75	70 acres (coffee, pepper, Chow-chow, Lime, Veg. cultivation)	Elephant and Gaur attack is frequent. Need fencing facilities. Coffee pulper machine will be very useful.
8	Kilkattabettu	16	51	20 acres (revenue land) Coffee and tea cultivation	<u>No Creche</u> for children (25 children below 5 year are there) No land for vegetable cultivation
9	*Kumaramudi	15	54	30 acres (No entitlement) 14 acres are cultivated	Water scarcity Wild animals conflict No public transport Fencing Net is required
10	*Mallikoppaiyoor	28	105	90 acres. 16 acres are cultivated.	Wild animal conflict No land title for forest land Water scarcity Need a tailoring centre for young women
11	Paviyoor	29	112	50 acres forest land (25 acres coffee & tea, 10 acres Vegetable & Millet 2ultivation, 15 acres vacant) No land entitlement	No proper road Wild Animals intrusion No land title for the forest lands Coffee Pulper machine given. 15 acres land to be cultivated with proper protection from wild animals
12	Kambiyoor	13	53	32 acres including 12 acres forest land	Can't do any other cultivation except Coffee and tea due to wild animal conflict. 12 acre land need fencing protection
13	*Kongamokkai	14	43	32 acres (16 acres patta land and 16	New village. Very remote. Can be thought of Fencing

				acres forest land) 8 acres with coffee	around the cultivated area
14	*Neramokkai	12	47	10 acres forest land. Only coffee.	No other cultivation possible due to animal threat. No sufficient water. No road facility. No land title for the forest land.
15	*Burgur	10	36	25 acres – Own land and forest land. Only coffee and tea.	New village. No access road. If Fencing is available all types of cultivation is possible.
16	*Kodagur	9	30	65 acres – 45 acres forest land and 20 acres patta land	New village. Far from the main road. Water scarcity and wild animal threat. Cultivating traditional millets and vegetables by keeping watch day and night to protect the crops from wild animals.
17	*Sakkapadi	9	50	20 acres. 10 acres vacant. Cultivation of millets, coffee, pepper	New village. Very poor people. Elephant attack and water scarcity. Fencing is the most important need.
18	Kolatti	9	20	15 acres. 3 acres vegetable cultivation. Rest is coffee /tea.	No access road. Difficult to walk. Support needed for developing vegetable cultivation.
19	Thumbibettu	11	28	30 acres (own and forest land) Most of the lands are mortgaged for getting loans.	Most of the family members are educated and employed in private and government sector. No road facility. Only a foot bath is given by the nearby Estate.
20	*Thengumarahada / Kallampalayam / Hallimoyar (cluster of villages)	240* (Not targeted for family intervention)	800* (Not targeted for family intervention)	250 acres	Creches and schools in this area need educational support and health supplements. They

					need painting of the childcare centres (one time) and basic necessities like mat, play materials, slippers for the children. The Anganwadi workers are willing to be our village animators for some honorarium.
	Total	587 – 240 = 347	2074 – 800 = 1274	974 acres	Specific focus will be to 347 families (587 – 240 = 347)
